

Parent Guide Jesus Teaches the Beatitudes

What we learned:

Today one thing we learned is that Jesus wants a pure heart. God desires purity, not perfection. Purity means our heart wants to do what is right and honor God. If we sin, we right away ask God to forgive us and make things right with Him; and the person we might have hurt.

Prayer:

That this week we would have tender hearts towards Jesus' teachings. That we would embrace his loving guidelines for our life.

Suggested Parent/Child Activity:

Read the story about the Beatitudes found in Matthew 5:1-12. Talk as a family about the temptation in life to resist or break rules. Explain that since God created us, He knows best how we should live our life. Also, when we love someone we want good things to happen to them. Knowing that Jesus loves us the most, he gave us his teachings on how to live our life to protect us, to keep us safe and happy.

Memory Verse:

Blessed are the pure in heart, for they shall see God.
Matthew 5:8
