**Jesus Heals Official's Son**

**What we learned:**

Today we learned about Jesus healing the sick son of the government official. How the official believed that Jesus could heal his son. That Jesus did do what he said he would do. This trust was shown, by obeying Jesus and going back home (to find his son healed). And the official believed "in" Jesus, marked by the official proclaiming Jesus to others and his household becoming believers.

**Prayer:**

That this week we would have greater understanding that because of our faith and experience in Jesus, we can trust him with our life and want to tell others about him too.

**Suggested Parent/Child Activity:**

Read the story about Jesus healing the official's son found in John 4:43-54. Talk about any healing or miracles that you or someone you know have experienced, and how that helped shape your faith in God. Also, talk about how Jesus wants us to have faith in him even when we don't see miracles.

**Memory Verse:**

*Jesus said to him, "Go your way; your son lives." So the man believed the words that Jesus spoke to him, and he went his way.*  
*John 4:50*
