**Jesus Calls the Disciples**

**What we learned:**

Today we learned about Jesus calling of the disciples to follow him. One those called was Matthew and that he was so excited that he threw a party to introduce Jesus to his friends.

**Prayer:**

Dear God, Thank you for picking me to be your disciple too. Help me to learn more about your love and plans for my life, so that others will learn of your great love for them too. Amen

**Suggested Parent/Child Activity:**

Read the story about Jesus calling his disciples. Matthew 4:18-22, John 1:43-50, Luke 5:27-32. Talk together about how your child has a special place in God's heart and that Jesus has called them to be his follower too. And that they can share their love for Jesus with their friends just like Matthew did.

**Memory Verse:**

*Jesus said, "Follow me and I will make you fishers of men."*  
Matthew 4:19
